# Costruzioni Meccaniche s.p.a.

ISO 9001  
BUREAU VERITAS  
Certification

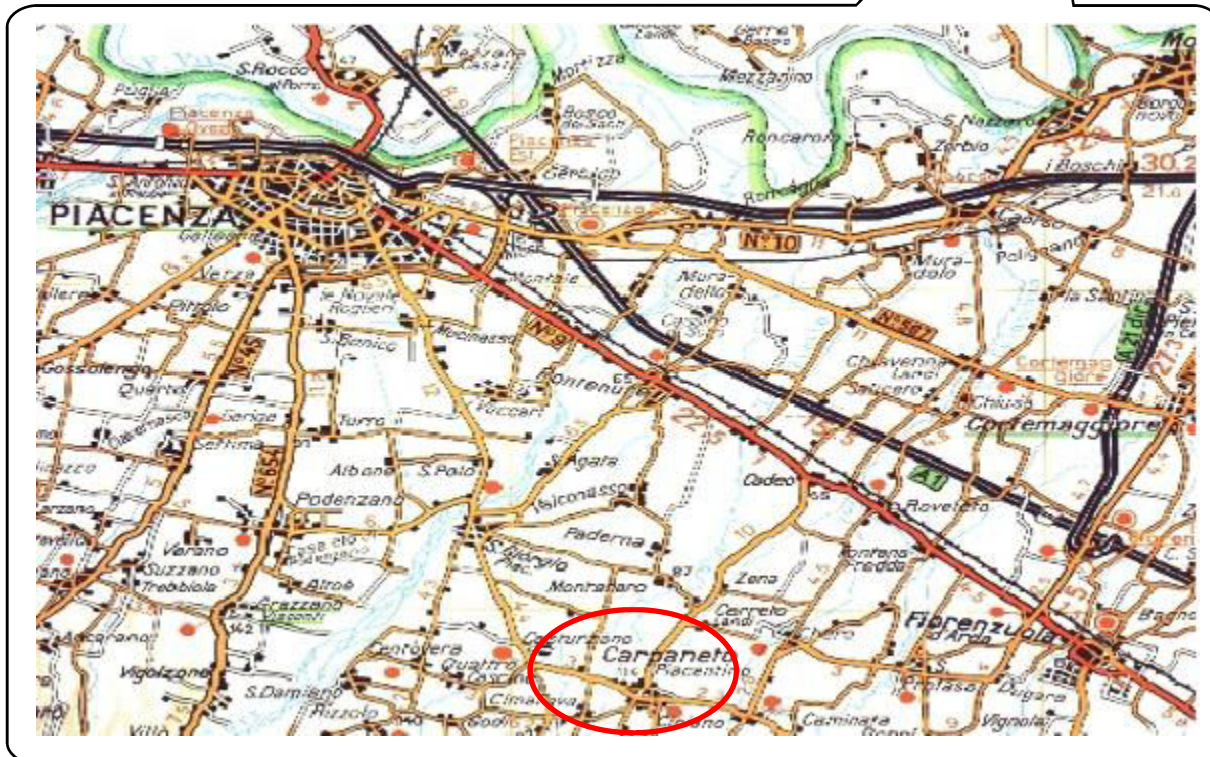

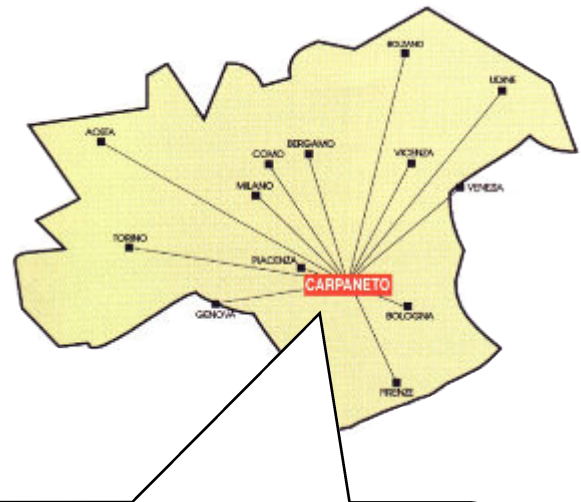

Our company born in 1980, is located in Carpaneto Piacentino (PC) Italia around 70 km. south of Milano, very close to the main important motorways of the North Italy; it is placed on a production area that is made up of a factory of 9.300 m<sup>2</sup> and an open area of 16.700 m<sup>2</sup>.

The company is certified ISO –9001-2001 by the Certification Institute Bureau Veritas and our workers welders are provided with the welding license.

We are specialized in the execution of medium and heavy structural steelwork, working with tooling machineries, with the possibility to manage the complete cycle of production: from the construction of individual components to the delivery of the assembled product mechanically and hydraulically.

The company has provided with sandblasting and painting plant of last generation which allow us to offer high quality finished products to our customers.

***Costruzioni Meccaniche s.p.a.***

The Engineering Department and the Administrative Office consist of 10 employees, mostly young and much motivated.

We have a very flexible structure and we are able to adapt quickly our working capacity following to the requirements of our customers.

55 workers are currently employed with the possibility to increase following to the market needs.

In our factory we also have different mechanical equipment of last generation including:

N. 1 N/C Milling machine mm. 8.500 X 2.200 X 1.600  
with rotary table mm. 2.200 x 2.200

N. 1 N/C Milling machine mm. 4.250 x 1.600 x 800

N. 16 crane lifting capacity from 6,3 up to 20 tons.10

N. 1 Travelling crane lifting capacity 25 tons

N. 1 Submerged Arc Welding System

N. 1 Internal sandblasting Booth of 91 mq

N. 1 Internal painting oven Booth of 91 mq

N. 1 Internal spraybooth of 50 mq

N. 2 Fume Extraction Systems
